Dear Deputy Insurance Commissioner:

Re: No. D 06-120
Order Revoking License
John A. Black, Resident Licensee

This office represents the Resident Licensee identified above. Our correspondence today follows review of the Order Revoking License and Notice of Right to Hearing, as well as my short telephone conference with a Wendy from the Hearings Office.

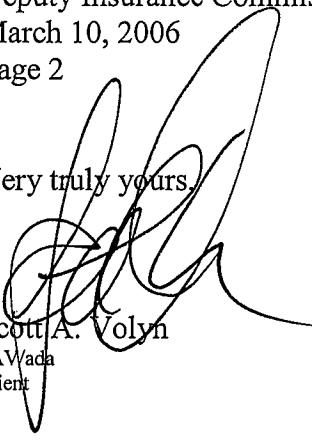

It is our express understanding that the effective date of the above-identified order is March 19, 2006; furthermore, we understand that in the event the demand for hearing is received before the effective date of the Order that the penalties contained in the order will be stayed (postponed) until after the hearing requested.

We hereby make a demand for hearing to contest this Order. We elect to have an administrative law judge from the Office of Administrative Hearings preside over the hearing. Please confirm that you have received this notice and demand, and that the license will not be revoked nor suspended until the hearing process has been completed.

We look forward to working with you relative to this matter, and I stand ready to reply to any issues or concerns you may have relative to this case at this time.
